

## Website Sign-Up and Login Instructions for 2026 Snowbird Club Members

**Website: SCSHSnowbirds.com**

### **These instructions are for *existing* 2026 Snowbird Club Members**

- We have migrated your info to our new website, with your name and email already in our member database, but *we do not have your password*. We never know any member's passwords as a matter of security.
- You can use these instructions to Log In for the first time to the site by first creating your password.

### **Why do members need to log in?**

- To see event dates and times and to register for Snowbird RSVP or Ticketed events
- To see Members Area information on board members, coordinators and home maintenance presentation resources.
- To renew your annual membership dues.

**Let's get you set up!** We will go slowly, step by step.

These instructions will help you set up your password for your Snowbird Membership account. It will show you tips to avoid re-entering your password all the time and what to do if you forget it.

Please note: Your email must *always be the same* one you used to sign up for Membership. That is the email we send your correspondence to. Each member must have their own email (i.e. we can no longer use shared emails for couples)

### **OK? Let's proceed!**

Go to the website (SCSHSnowbirds.com) and click on the login icon – far right on the menu, as shown below with the arrow. Looks like a little person in a circle.

A new screen pops up. Since we don't have a password yet, we need you to create one. So, for that, choose Log In, as shown in the red circle below.

## Sign Up

Already have an account? Log In

Email

Password

Sign Up

Next, you'll see the following pop-up; click **Forgot Password**. Not that you forgot it (!), but this is how we reset your password.

Password

Forgot Password

Log In

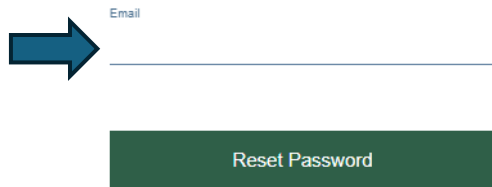

or

Continue with Google

Clicking on Forgot Password takes you to a screen where you enter the email you set up for the account.

## Reset password

Enter your login email and we'll send you a link to reset your password.

The form consists of a blue arrow pointing to a text input field labeled "Email". Below the input field is a dark green button with the text "Reset Password".

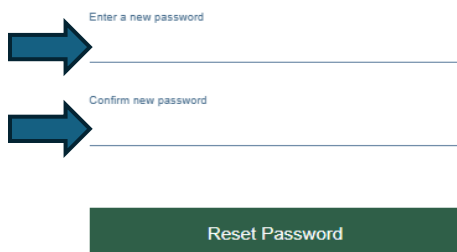

Look in your email for the link to reset your password. You will come to a page to set up your password for the first time on our Snowbird site, as shown below.

### Make sure your password follows these rules:

- Our new website requires 6 to 12 letters, which are case-sensitive, and may include these special characters if you want \_ - ! @ # \$ % ^ & \*
- Do not use a period in your password

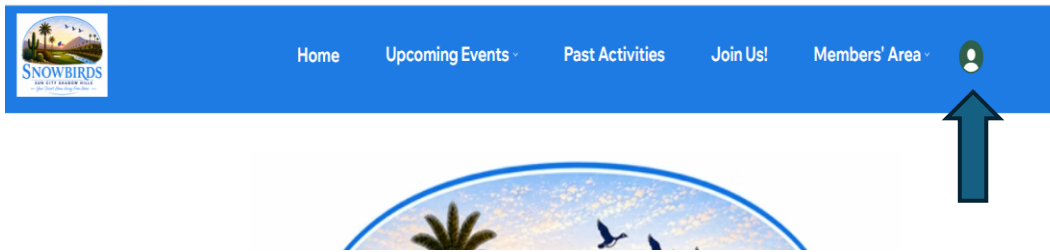

## Reset password

Enter your new password below

The form consists of two blue arrows pointing to text input fields. The first input field is labeled "Enter a new password" and the second is labeled "Confirm new password". Below the input fields is a dark green button with the text "Reset Password".

Now that you have set up your Snowbird account password, you can Log In with your email and new password. Come back here and click on the little person

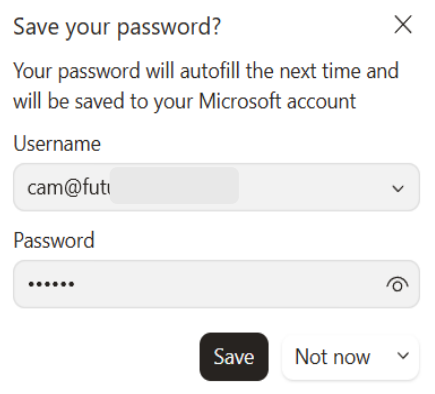

Click again on Log In shown here in the red circle below

A screenshot of the "Sign Up" form on the Snowbirds website. The form has a title "Sign Up" in blue. Below the title is the text "Already have an account?" followed by a link "Log In" which is circled in red. Below this are two input fields: "Email" and "Password". The "Password" field has a small eye icon to its right. At the bottom of the form is a green button labeled "Sign Up". A large blue arrow points upwards from below the "Log In" link towards the "Email" input field.

Now you log in using your email address and new password here:

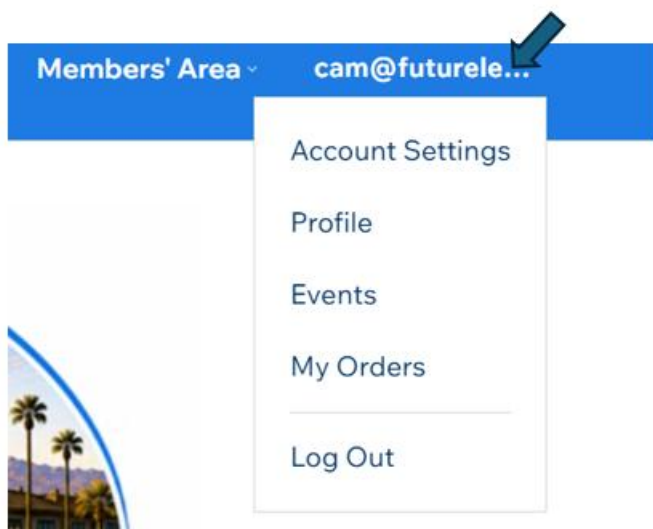

A screenshot of the "Log In" form on the Snowbirds website. The form has a title "Log In" in blue. Below the title is the text "Don't have an account?" followed by a link "Sign up". Below this are two input fields: "Email" and "Password". The "Password" field has a small eye icon to its right. Below the input fields is a link "Forgot Password". At the bottom of the form is a green button labeled "Log In".

If your browser/system allows it, you may also see a “Save your password” pop-up like the one below. Click Save to make it easier to log in the next time you log out.

A browser password save dialog box. At the top, it says "Save your password?" with a close button (X). Below that, it explains: "Your password will autofill the next time and will be saved to your Microsoft account". It shows the login fields: "Username" with the value "cam@futi" and a dropdown arrow, and "Password" with masked characters "....." and an eye icon to toggle visibility. At the bottom, there are two buttons: a dark "Save" button and a "Not now" button with a dropdown arrow.

Now you have an official account; click where the arrow shows – i.e. on the email shown - to view your details and open your new personal account. These sections can be very handy. Please explore!

***Enjoy your new Snowbirds Club website!***
